2018-2019 School Year

The 2018-2019 CHET *Advance* Scholarship will provide up to 200 college scholarships to high school seniors and freshman as follows:

- **SENIORS:** Up to 100 \$2,500 scholarships will be awarded to students who are high school seniors during the 2018-2019 school year, and who plan to enter college no later than the fall of 2020. Winning seniors will be chosen on a random basis. There are two categories (Category 1 and Category 2, see below) of high school seniors who can apply for the CHET *Advance* Scholarship. The \$2,500 scholarship will be distributed in the form of a physical check, made out to the college that the student will be attending, mailed to the student winner’s home address in July 2019 (or by September 2020 if the student defers the start of college for up to a year post-high school graduation).

- **FRESHMEN:** Up to 100 \$2,000 scholarships will be awarded to students who are high school freshman during the 2018-2019 school year. Each winner has the opportunity to receive an additional \$500 match if they save \$500 in an individual CHET account by May 30th of their senior year of high school. There are two categories (Category 1 and Category 2, see below) of high school freshmen who can apply for the CHET *Advance* Scholarship. The scholarship funds will be held by the Sponsor. For both grade groups, winners will be selected from two categories:

In the event that more than one entry is received for an eligible student, the first completed entry processed will be considered the only valid entry received. Any attempt by an applicant to obtain more than one entry by using multiple or different email addresses or identities will void that applicant’s entries and that applicant may be disqualified. In the event of a dispute, entries will be deemed made by the authorized account holder of the email address submitted at the time of entry. The authorized account holder of the email address used to submit the application to the CHET *Advance* Scholarship is the natural person who is assigned the email address by an internet access provider, on line service provider, or other organization that is responsible for assigning email addresses or the electronic domain associated with the submitted email address. Agreement to the Official Rules

By participating in the CHET *Advance* Scholarship, applicants must fully and unconditionally agree to and accept these Official Rules and the decisions of the Sponsor and the Administrator, which are final and binding and not appealable, in all matters related to the CHET *Advance* Scholarship. To complete an application, applicants must fill out a section that indicates they have accepted the Official Rules of the CHET *Advance* Scholarship.

Winner Selection and Verification

Winners will be selected from all eligible applications received. The Drawings will be held sometime after the October 2, 2018 deadline and will be conducted by ISTS. If it is determined at any time after a Drawing that a selected winner does not meet the eligibility requirements as set forth above, the selected winner will be disqualified and an alternate winner will be randomly selected.

ISTS will contact the winning applicants by using the email address provided on the student's application (a parent, guardian or other responsible adult's email address is required on the application, along with the student email address if available). An applicant then has sixty (60) calendar days to electronically respond to the notification and submit online an Affidavit of Eligibility/Liability Release/Publicity Release form or the scholarship award will be forfeited and awarded to an alternate. Verified winners who have submitted the online form described in this paragraph will be announced to the public.

The odds of winning the CHET *Advance* Scholarship depends on the number of eligible entries received during the promotion. The Office of State Treasurer Denise L. Nappier, TFI, and ISTS are not responsible for, and shall not be liable for late, lost, misdirected, or unsuccessful efforts to notify winners.

The names of eligible students will be placed into the appropriate category of seniors or freshman, from Category 1 or 2, and by Congressional District, from which winners will be selected randomly in the Drawings. Placement in the Drawings from the pool of names depends on whether a student's school meets the qualifications of Category 1 or Category 2, and which Congressional District the student lives in.

CHET *Advance* Scholarship winners will be notified in writing by e-mail sent to the email address(es) provided on the application. A list of winners of the CHET *Advance* Scholarship awards will be available after December 1, 2018 at www.chetadvance.com or by calling the Office of the Treasurer at 860-702-3292.

How the Scholarship Award May be Used

Distribution of the scholarship award will only be made payable to an eligible educational institution upon receipt of the necessary request from the scholarship award recipient. Payment must be applied solely toward any qualified higher education expenses, such as tuition, fees, and books that are required and necessary for the winner to attend the specified educational institution.

Eligible educational Institutions generally include accredited, postsecondary educational institutions offering credit toward a bachelor's degree, an associate's degree, or another recognized postsecondary credential, including certain proprietary institutions and postsecondary technical and vocational schools and certain institutions in foreign countries.

How to Request Scholarship Award Distribution

Generally, award checks will be mailed out in July each year. Award recipients who have reached the pay-out timeframe per the scholarship rules will receive an email from ISTS with instructions on how to request the award. Students will need to log in to their account at <https://aim.applyists.net> and complete the requested information, including the name of the college or university they will be attending, and confirmation of the correct home

mailing address. Checks will be made payable to the school, and mailed to the student's home address on file with ISTS.

Who Owns and Holds the Award

All funds for winner awards will be held by TFI and The Hartford, and will be held with the other winners' awards. TFI and The Hartford will retain ownership of the funds until a winner submits all required verification and college choice information at <https://aim.applyists.net>.

CHET *Advance* Scholarship awards cannot be used for non-qualified higher education purposes. The awards will not be subject to fees or assessments and will not decrease below \$2,500 (or \$2,000 for freshman winners who do not meet the match criteria).

Upon confirmation by a winner of a Scholarship award, the winner cannot be changed. However, if the winner forfeits the award pursuant to these rules, the winner will be eliminated as an award recipient. If a winner's distribution request is approved by the Office of the State Treasurer, the distribution check must be made payable to the eligible educational institution for the benefit of the winner.

Award forfeiture

An award will be forfeited upon:

- Death of a Beneficiary.
- Disability of the Beneficiary that results in Beneficiary being unable to attend school.
- No enrollment/request for withdrawal made by September 30, 2020 (seniors) or September 30, 2023 (freshman). Any amounts not utilized will be returned to the CHET *Advance* Scholarship's general account maintained by the Office of the State Treasurer and the winner shall no longer be considered a CHET *Advance* Scholarship winner and shall have no further claim to any such amount.
- A determination by the Sponsor, in its sole discretion, that false statements were made or false information was provided by a winner of the CHET *Advance* Scholarship award.

Integrity of the process

The integrity of the application process is of primary importance and will not be compromised. Any written or oral communications, from the time a completed application is submitted through the time of the Drawings, directly or indirectly initiated by or on behalf of an applicant to the State Treasurer or the State Treasurer's office staff, TFI, The Hartford, or ISTS for the purpose of influencing the selection process, will be grounds for immediate elimination from the applicable Drawing.

The Office of the State Treasurer reserves the right, in its sole discretion, to void suspect entries or to cancel the CHET *Advance* Scholarship (or a portion thereof) should virus, bugs, non-authorized human intervention or other causes corrupt or impair the administration, security, fairness or proper play of the CHET *Advance* Scholarship or for any other reason. In the event that the CHET *Advance* Scholarship is cancelled by the Sponsor or the Office of the State Treasurer, the Sponsor may randomly select the winners and issue any remaining awards to any and all eligible, non-suspect entries received prior to the event requiring cancellation of the CHET *Advance* Scholarship.

CAUTION: Any attempt to damage the website or undermine the legitimate operation of the CHET *Advance* Scholarship is a violation of criminal and civil laws, and should such an attempt be made, The Office of the State Treasurer reserves the right to seek any and all remedies available from such individual to the fullest extent permitted by law.

Tax consequences

Winners are urged to consult a tax advisor regarding tax consequences of any award in light of the winner's individual circumstances and are responsible for any applicable taxes. All scholarships will be awarded. All scholarships are awarded "AS IS" without warranty of any kind, express or implied, including without limitation warranties for fitness for a particular purpose.
